

Saturday Sabbath Observers Test Center Codes

A letter on official stationery from your rabbi or minister must accompany your LSAC Registration Form. The codes listed below indicate LSAT test centers for the test administrations noted below. **Do not use these codes for academic record data.** Walk-in registration on the day of the test is not permitted at any test center for any test administration.

The LSAT is not administered at every test center on all testing dates. Be certain to select a center that has the letter S, D, or F (indicating September, December, or February) in the column for the date for which you are registering. **In addition, there is limited center availability for each test administration. Consequently, you may not be assigned to your first-choice center even if your registration is received by the regular registration deadline. You should register as early as possible, as your chances of being assigned to your first- or second-choice test center are greater. If both your first- and second-choice centers are full or unavailable, LSAC will assign you to**

a center as close to those centers as possible; however, LSAC cannot guarantee that a center located within a reasonable distance from your preferred centers will be available. Your LSAT Admission Ticket will reflect the change in test center. Assignment to a test center not indicated in your LSAT registration and/or test date change request does not entitle you to a full refund or a free test center or test date change. If you register online, you can check test center availability in real time, without waiting for the mail.

Some published centers may have been closed subsequent to publication of this *Information Book*. Affected candidates will be assigned to the nearest available center.

A mistake in filling in the center codes may cause you to be assigned to a different center than the one requested. Please check your entries carefully on the registration form.

Note: The February administration is not available at centers outside of the United States, Australia, New Zealand, Canada, and the Caribbean.
