General Information About the LSAC Fee Waiver

The Law School Admission Council (LSAC) has long been committed to ensuring student diversity in legal education. As part of that commitment, the LSAC Fee Waiver Program was established in 1968 to assure that no person is denied access to law school because of absolute inability to pay for the LSAT® and other essential applicant services.

A 2017–2018 fee waiver covers the following LSAC services only:

- two LSATs per two-year fee waiver period; and
- one registration for LSAC’s Credential Assembly ServiceSM (CASSM), including a total of four law school reports, the Letter of Recommendation Service, and access to electronic applications for all ABA-approved law schools.

An approved LSAC fee waiver will entitle you to one copy of The Official LSAT SuperPrep II™.

If you use a fee waiver to register for the LSAT and subsequently decide not to test, to avoid an absentee notation on your file, you must either withdraw your registration (online only); request a test date change (by mail, online, phone, or fax); or cancel your registration (by mail or fax only) by writing to LSAC, Test Administration, 662 Penn Street, PO Box 2000-T, Newtown PA 18940-0995 or faxing to 215.968.1277 by the applicable deadline date. Test dates and deadlines can be found at LSAC.org.

The basic criterion for granting a waiver is the absolute inability to pay for the service. Your inability to pay will be validated via the LSAC Fee Waiver Application, supported by federal income tax forms, and other documentation as requested by LSAC. Your LSAC Fee Waiver Application will be analyzed to determine your and your spouse’s (if you are married) and/or your parents’ ability to pay the waivable fees.

To be eligible for consideration you must be a US citizen, a US national, a permanent resident alien in the US, have been granted deferred action, or have applied for deferred action under the Deferred Action for Childhood Arrivals (DACA). See instructions for items 13, 14, and 15 to determine whether you are eligible. Students already enrolled in law school are not eligible for an LSAC fee waiver.

Canadian citizens who need a fee waiver must apply for one through a Canadian LSAC-member law school even if they plan to apply for admission to a US law school. Contact LSAC for the appropriate application materials and instructions.

Because the cost of the services covered by the LSAC fee waiver is only a fraction of the cost of a legal education, the need criterion is considerably more stringent than for other financial aid processes. Only those with extreme need should apply.

Information on Fee Waiver Application Procedures

In the United States, only LSAC can approve a fee waiver for LSAC services. Fee waivers cannot be granted by financial aid offices of undergraduate institutions, ABA-approved law schools, non-ABA-approved law schools, prelaw advisors, or any other individual or organization. If you are unable to pay the LSAT or the CAS fees, you may request a fee waiver through LSAC.

Requesting a Fee Waiver from LSAC

Fill out the application completely and accurately according to the instructions provided. Do not leave any items blank. Enter “0” or “N/A” in items that do not apply to you. Sign the application and keep a copy for your records, then submit it to LSAC along with your relevant completed 2016 federal income tax form(s), LSAC Verification of Nonfiling Form (including proof of nonfiling from the IRS), or DACA documentation. Services covered by a fee waiver will be waived online only after the receipt, processing, and approval of your fee waiver application and required tax documentation or DACA documentation. A credit card is necessary for any additional fees not covered by the fee waiver. Late registrations will be charged a late fee during online registration, and a credit card payment will be required.

When requesting a fee waiver for a particular test, we suggest that you send in your request 4 to 6 weeks prior to the test deadline to allow sufficient time for processing. Mail your request to LSAC, 662 Penn Street, PO Box 2001, Newtown PA 18940-0981, or fax your request to 215.504.1432.

Whether your fee waiver application is granted or denied, you will be notified via email. If you do not have an online account and/or a valid email address on file, you will be notified via letter. If your fee waiver application is denied, you can appeal the decision and instructions to do so will be included with your notification.
Services covered by a 2017–2018 fee waiver must be ordered and used within your two-year fee waiver period. Fees previously paid cannot be waived retroactively, and no refunds will be issued.

Any falsification of information presented to LSAC in consideration of a fee waiver application, including the fee waiver application or any supporting documentation, is subject to LSAC misconduct and irregularities proceedings.

**Instructions for Completing the LSAC Fee Waiver Application Form**

Review the following instructions and then complete all items. Do not leave any items blank. Enter “0” or “N/A” in items that do not apply. Be careful not to duplicate information. Applications with incomplete data, missing signatures, or missing documentation will be returned to you unprocessed and might not meet deadline requirements. It is your responsibility to be sure that requirements are completed and deadlines are met. Omissions or inaccuracies on the fee waiver application can be grounds for a misconduct and irregularities investigation.

If you filed your federal income tax electronically, include a signed paper copy of your filed tax information.

Please print using black ink. Enter a zero (0) if the item asks for a dollar amount that does not apply to you. Do not use words such as “unknown,” “none,” or “same.” Round off cents by adding a dollar for amounts of .50 and above and disregarding amounts of .49 and below. For example, if your income is $5,225.25, enter this amount as $5,225. If your income is $5,225.63, enter this amount as $5,226.
