Law **Plus** more voices.
Law **Plus** more justice.
Law **Plus** me.

Plus, Guided Journey is designed with the challenges of navigating the law school application process in mind. This unique, year-long, free program ensures you don't go through it alone. If you're planning to **apply** to a U.S.-based law school during the next fall application cycle, Plus, Guided Journey can guide and support you as you explore law school and make decisions about your future.

We'll help you get there with:

- **Exposure to law schools across the country**
- **Tailored LSAT® prep**
- **Ongoing guidance and support throughout the law school application process**
- **Financial aid education**
- **Financial assistance with law school application components (which includes a one-year subscription to LawHub Advantage, two LSATs, and more)**
- **Strength-based skills development towards law school success**
