GEORGIA TECH PROFILE

The [Georgia Institute of Technology](#), also known as Georgia Tech, is a top-ranked public college and one of the leading research universities in the USA. Georgia Tech provides a technologically focused education to more than 25,000 undergraduate and graduate students in fields ranging from engineering, computing, and sciences, to business, design, and liberal arts.

Please view our [2017 factbook](#).

Many students and alumni considering a legal career are interested in intellectual property, business/corporate, health, human rights, environmental, or cybersecurity law. Dual degree programs are also of interest.

STUDENTS FROM OTHER CAMPUSES

This event is for Georgia Tech students and alumni only and for students from Emory and Georgia State University in partner programs with Georgia Tech and who are invited by the organizers. Please do not ask prospective students from other campuses to meet you at the fair and instead arrange to meet with them at a separate time. Students will need school identification to enter.
