LOCATION

The specific location on campus will be announced in August 2018. See [campus map and directions](#).

EVENT INFORMATION

- Number of schools/students: The number of law schools attending is generally 10 to 20 schools. Student traffic in previous years has been about 100 to 150.
- Internet availability: Wi-Fi service can be arranged, but individual guest accounts are created, so we need about a day's notice to set up the specific guest accounts.
- Lunch/refreshments: Refreshments are available all during the time of the Law School Fair. A catered buffet lunch will be provided at noon. Law school reps are free to eat near the buffet or to take a plate back to their table so that they can continue to meet with students.
