EVENT LOCATION

Virtual (CareerFair+)

1. Our fair is scheduled for Tuesday, January 26th, 2021 from 9 am to 5 pm CST.
2. Registration and payment happen in Handshake. After we approve your registration, your request for registration will be moved to CareerFairPlus for processing. You will then need to create an account via an invitation link from CareerFairPlus. Each school may have up to 4 admissions representatives in attendance.
3. If someone else from your office will handle the registration process, please make sure to let them know that they need to enter your name and your contact information into Handshake so that you receive the CareerFairPlus link for scheduling and all of my communications for the fair.
4. We will host the fair using CareerFairPlus. You will have the flexibility to decide when you will meet with students during the fair for 1:1 meetings, which includes breaks. (We do not expect representatives to stick around for the entire day, but feel free to schedule as many meetings as you prefer.) You can choose to have all 4 representatives schedule for 1:1 meetings or 1 representative host a drop-in room, or any combination in between. Representatives should setup their schedule in CareerFairPlus as soon as possible because students cannot sign up with your school without active availability in CareerFairPlus. If you would like a drop-in room, please let me know. A drop-in room allows students to drop-in to your virtual room without time constraints. You will be responsible for managing the traffic in your drop-in room.
5. Registration costs \$100 this year to cover the costs of the fair and provide revenue for our new pre-law undergraduate scholarships.
6. Students will schedule 1:1 meetings starting January 18th, 2021 at 8 am CST, and student registration will close on January 26th at 4:30 pm CST.
