EVENT LOGISTICS

Location: Please arrive between 10am and 11am for the fair that will be held in the **Student Life and Technology Center “SLTC” (#2 on the Campus Map) in Worsham Hall on the first floor**. The **Campus Map** can be found [HERE](#).

DIRECTIONS: to Hendrix can be found [HERE](#). These directions will take you to the Dawkins Welcome Center, **which is next door to the SLTC and has visitor parking**. There is a loading dock drive in between Dawkins and SLTC – this is where we will have an unloading zone if you have heavy materials you want to drop with us and before you park.

PARKING: You are welcome to park in any spot on campus that is not a red curb or blue handicapped curb. You may find the most plentiful and easy parking in the lot connected to the pedestrian bridge near the outdoor tennis courts (#37 on the map). Parking here involves a short walk across that bridge but will land you on campus directly at the SLTC where the event will be held. [Here’s a short video](#) to help you navigate the loading zone and parking options.

Travel & Driving Information: The closest airport is **Little Rock National Airport (LIT) about 30 miles south of Conway**. You are welcome to rent a car or use Uber/Lyft to make your way to Conway. Shuttle agencies are also available on the Little Rock National Airport website. The drive usually takes 40 minutes from the airport on Interstate 40. The Hendrix College exit is 125.

***ROUNDAABOUTS:** Conway is not only known as the “City of Colleges” but also the “City of Roundabouts” – we currently have 36 with 2 more under construction! Our campus is surrounded by several multi-lane roundabouts, so if you’re driving here, we highly recommend this [“How-To”](#) so you’ll be able to navigate confidently.

DINING: Upon arrival, you will **receive a coffee/beverage ticket for the Burrow (canteen), a few snack items, and a meal ticket for lunch**. Lunch will be served in the Dining Hall (upstairs in the SLTC) after the fair. Our Dining Hall serves a homestyle lunch, burger and pizza bar, salad bar, smoothie station, and several items to accommodate dietary needs (vegan, vegetarian, and gluten free options; we are a peanut-free facility). Our dining hall was named the #1 College Dining Hall in America just a few years ago! A Career Services staff person will be available to assist you in navigating options after the fair.

LODGING: Local hotels within a 5-minute drive include Holiday Inn Express, Fairfield Inn & Suites, Hilton Garden, Hampton Inn, and Best Western.
