PARKING

[Parking Information](#)

Please complete this parking request BEFORE you arrive on campus.

[Parking Request](#)

1. Click the link and then click "Manage Account" in the center of the screen

Then scroll down to "Guest Login"

If you have had a Miami parking permit before, either log in or click "Reset forgotten password"

If you are new to Miami, click "Create an account"

Once you are logged into your parking account, **return to this email and click the permit registration link again** and it will start you down the correct path to getting a permit.

Miami permits are electronic; there will not be anything to print out or display in your vehicle. You will be eligible to park in "red" permit areas, which is pretty much all of campus except pay to park areas (meters and garages).

If you cannot log into your account, please email Parking@MiamiOH.edu
