Parking, Shuttle Service & Materials Drop-Off

- There will be free parking available at the [Raynor Ave. Lot \(RAY\)](#) for the day of the Grad & Law Fair (lot opens at 9:00am). Starting at 9:15am, there will be free Syracuse University Golf Cart service bringing representatives from Raynor Ave. Lot to Stadium Control (entrance for all reps to check-in) at the JMA Dome. Golf Cart service will resume from 1:30-3:00pm as the fair commences.
- If you are bringing materials with you and wish to drop them off before parking, please follow the signs near the Raynor Ave. parking lot to the security booth, where they will direct you to the Stadium Control loading dock to drop off your belongings. Once this is completed, please return to the Raynor Ave. Lot to park your vehicle.

Check-In

- Upon entry to the JMA Dome via Stadium Control, a table will be set up to get all participating representatives to check-in. Please bring a business card with you to make check-in easier. Once this is completed, you will be escorted to your assigned table. If you shipped materials ahead of time, these contents will be waiting for you at the table.
- Please note, representatives **WILL NOT** have access to power/electrical for laptops, presentation demos, or digital branding. Due to the high numbers of employer power requests, we wouldn't be able to accommodate all. Therefore, we have taken away that option to ensure equity for all.

Items On Hand

- **Name tags will NOT be provided, so please bring one with you.**
- If you plan on shipping your materials post-event, please be sure to have a pre-paid label or box on hand with the proper shipping information. Our Material Distribution staff will collect these items from your table the following day to ship before the end of the week.
