

LSAC Legal Education ConsultingSM

Actionable insights. Sustainable solutions.

With a decades-long history of successfully working with its member schools, LSAC understands your mission and wants to support your success. We offer a suite of individually tailored services designed to help your school meet its institutional goals.

Our team will help you:

Shape your recruiting and enrollment strategies and effectively award scholarship dollars to achieve your admission and revenue goals.

Drive your strategic decision-making with custom reports that provide you with key data and insights.

Create a comprehensive solution that reflects your unique challenges, including enrollment, accreditation, bar passage, and more.

Team-Driven Discovery Focused on Your Objectives

When we meet to discuss your school's unique goals and challenges, we become your partner in developing the best approach to address your priorities and help you reach your goals.

Not a "One Size Fits All" Solution

Knowing that no two law schools are the same, we provide customized solutions to meet your distinct goals and needs.

We Know Law School Admission Inside and Out

We're deeply attuned to the data, trends, cycles, and people shaping the world of legal education. As an active part of the law school community, our work combines data expertise with interpretive insights and understanding, while our protocols ensure the security and integrity of your information.

A Tailored Approach.

Using your goals and priorities as the guidepost, Legal Education Consulting helps you build sustainable solutions to achieve resource efficiency and institutional growth.

Predictive Enrollment Modeling and Assessment

Increase your confidence in your school's ability to more accurately **predict enrollment, including class size, LSAT and GPA medians, and net tuition revenue**. We provide solutions that align with the goals of your leadership team.

Custom Report Creation and Evaluation

Make better-informed decisions with **customized reports and dashboards that condense your vast enrollment information into powerful data analyses and visualizations**. The value of your enrollment data multiplies when analyzed in the context of trend comparisons using aggregated regional and national data.

Enrollment Leadership and Strategy Review

Get a **fresh perspective on admission office procedures, staffing, and policies** to understand the skills an admission leader should possess.

We will meet with your school's senior leadership to learn more about your current admission practices and operations, and **we can assist in the hiring process for key admission staff**, if needed.

Enrollment Management Accelerator for Deans and Administrators

Take a **crash course on enrollment management** that is tailored to your school's objectives. Deans and administrators will receive an introduction and guidance on the law school admission process with an emphasis on key areas including admission policies and procedures, financial aid and scholarship awards, and overall law school admission best practices.

Strategy and Planning Consulting

We will work with you to **build a customized strategy to achieve your institutional goals**. Our comprehensive approach begins with a discovery discussion about the specific challenges your institution is facing. Topics covered can include enrollment management, training, bar passage, strategic planning, navigate rankings, accreditation, and much more.
