

LawHub™: Explore. Prepare. Succeed.

TRANSCRIPT

[Gentle upbeat music. Portraits of diverse individuals framed in circles expands from the center of the screen, then collapses to reveal the North Star and LawHub logo. On-screen text reads, “LawHub™ Explore. Prepare. Succeed. Powered by LSAC®”]

Announcer: LawHub™ Explore. Prepare. Succeed. Powered by LSAC®]

[Animation of concentric light blue circles on a dark blue background. Female character slides into the center of the circles and is surrounded by law school icons. On-screen text reads, “Explore. Prepare. Succeed.”]

Announcer: No matter where you are on your journey to a future career in law, LawHub offers the tools you need to explore, prepare, and succeed.

[Zoom in to show a close-up of her holding a phone as an instructor speaks, and bits of information float in the background.]

Announcer: Lay the groundwork necessary to be your best with engaging learning content specifically designed to guide and support you every step of the way.

[Portraits of diverse individuals framed in circles expands from the center of the screen then zooms into a photo of an individual in the center of concentric circles, looking thoughtfully, surrounded by icons.]

Announcer: Thinking about pursuing a law degree? LawHub will help you discover and plan your next steps. Authentic LSAT practice materials, engaging live events, and on-demand courses and podcasts help you navigate the admission process, track your applications, and perform your best on test day.

[Series of animated scenes showing two people in an office talking; a person looking at digital files; and a person sitting at a desk working on a laptop.]

Announcer: If you've already been accepted, LawHub shows you how to make the most of your 0L summer before law school. The transition to a new learning environment is a challenge for anyone. Robust online courses and other learning content will help you start your 1L year with confidence.

[Series of animated scenes showing a person standing next to a school building and holding a diploma; a person sitting on a beach ball under an umbrella next to on screen text that reads 0L; and a person sitting on a stack of books next to a giant laptop showing a video of a professor.]

Announcer: Take it from a participant in a recent LawHub course: "I feel so much more confident in my ability to learn, and to focus on what the professors will say, now that I have an initial framework about how to analyze legal problems."

[Professional sitting at a desk working on a laptop. On-screen text reads: "I feel so much more confident in my ability to learn, and to focus on what the professors will say, now that I have an initial framework about how to analyze legal problems."]
